Robison-Anton and Gütermann thread numbers are given for each design.
The designs are pictured in half their original size (scale 1:2) if nothing else is mentioned.

You have purchased a modern, updatable sewing and embroidery machine. As we regularly release firmware updates, it is possible that there may be some differences between the machine firmware and the content shown in this Design Booklet. Consult your local authorized HUSQVARNA® VIKING® retailer, and be sure to visit our website at www.husqvarnaviking.com for the latest updates of the firmware. We reserve the right to change the included embroidery designs without prior notice, or make modifications to the performance or design. Such modifications, however, will always be to the benefit of the user and the product.
